

K-Love is currently one of the very few family-friendly radio station in the community. It will be a great loss if K-Love is displaced by an LPFM broadcaster providing other programming. K-Love is listener supported and the service they provide is very important to the community. For example, they provide free advertisement time for many local church activities, and also for local Rescue Missions, who provide shelter and food for homeless and women in need. Please consider letting K-Love stay on the air. K-Love has great positive impact on the community.
